New licensee’s undertaking

We are well acquainted with the "Regulations for Nordic Ecolabelling of Products". If our application for transfer of Nordic Ecolabel licence is granted, we undertake to follow its rules as well as the ecolabelling criteria and other regulations of which the ecolabelling organisation may inform us.

We thus undertake to follow the above-mentioned regulations and:

- to satisfy current regulatory requirements on the exterior and interior environment in all production and handling of the product,
- to satisfy regulatory requirements applicable to the product in the Nordic area,
- to use the ecolabel only on products that satisfy, in all respects, the requirements in the current ecolabelling criteria,
- to use the ecolabel only on products included in our licence,
- not to market products in the Nordic countries carrying a trade name that is the same or could be confused with that of the ecolabelled product,
- to use the Nordic Ecolabel in accordance with the item 7 in "Regulations for Nordic Ecolabelling of Products",
- to provide factual information on the significance of ecolabelling in product advertising and marketing material,
- to pay the required fee to the ecolabelling organisation and other costs in connection with our application for an Ecolabel licence and the inspection and testing on ecolabelled products which are demanded by the eco-labelling criteria in question or other regulations,
- for products not subject to the Nordic fee system, to apply for registration and pay the licence fees and other costs to the ecolabelling organisations in the other Nordic countries in which the ecolabelled product is sold,
- to supplement the application with documentation regarding particular national requirements if the products is to be marketed in countries other than those specified at the time of application,
- to indemnify in full the ecolabelling organisation in the event of claims or other financial expenses incurred by the ecolabelling organisation as a result of damage caused by the product manufactured and/or sold by the licensee, including faults and defects in the product itself.
- to use the Nordic Ecolabel only while the associated licence is valid

The agreement permitting the use of and reference to the Nordic Ecolabel is concluded when a licence is issued by the ecolabelling organisation
