

Surface layers of chlorinated plastics

Product groups: 089 New buildings (generation 4), 102 Renovation (generation 2)

The declaration applies to construction products used in Nordic Swan Ecolabelled applications.

Name of the product
Manufacturer
Type of construction product

The declaration is completed and signed by the manufacturer of the construction product, based on their knowledge at the time of the declaration, and based on tests and/or declarations from raw material manufacturers, with reservations for new advances and new knowledge. Should such knowledge arise, the undersigned is obliged to submit an updated declaration to Nordic Ecolabelling.

Does the construction product contain chlorinated plastics (e.g. PVC)? Yes ☐ No ☐

Windows and doors:

If yes, is the chlorinated plastic present either as smaller plastic details weighing ≤ 100 grams or as outdoor glazing beads or as foil containing less than 5% PVC? Yes ☐ No ☐

We accept the Nordic Ecolabelling [Terms and Conditions for Declarations](https://www.supply-chain-declarations.org/new-buildings-089/) found at <https://www.supply-chain-declarations.org/new-buildings-089/>

Signature of the manufacturer
