| Please check which facility (facilities) the application refers to: |                                     |  |
| <input type="checkbox"/> Hotel                                      | <input type="checkbox"/> Restaurant | <input type="checkbox"/> Conference facility |
| Budgeted annual turnover for entire operation:                      |                                     |  |
| Operation's public name / trade name:                               |                                     |  |

**Application fee:**

An application fee will be charged once the application has been received by Ecolabelling Sweden.

**Applicant’s undertaking:**

We are well acquainted with the “Regulations for Nordic Ecolabelling of products”. If our application for an ecolabel licence is granted, we undertake to follow its rules as well as the ecolabelling criteria and other regulations of which the ecolabelling organization may inform us.

**We thus undertake to follow the above-named regulations and:**

- to satisfy current regulatory requirements on the exterior and interior environment in all production and handling of the hotel-, restaurant- and conference service,
- to use the ecolabel only on hotel-, restaurant- and conference services that satisfy, in all respects, the requirements in the current ecolabelling criteria,
- to use the ecolabel only on services included in our licence.
- to use the Nordic Ecolabel in accordance with item 11 in “Regulations for Nordic Ecolabelling of Products”,
- to provide factual information on the significance of ecolabelling in product advertising and marketing material,
- to pay the required fee to the ecolabelling organization and other costs in connection with our application for an ecolabel licence and the inspection and testing on ecolabelled products which are demanded by the eco-labelling criteria in question or other regulations,
- to indemnify in full the ecolabelling organisation in the event of claims or other financial expenses incurred by the ecolabelling organization as a result of damage caused by the product manufactured and/or sold by the licensee, including faults and defects in the product itself.

The agreement permitting the use of and reference to the Nordic Ecolabel is concluded when a licence is issued by the ecolabelling organization.
