Place of manufacture	

INFORMATION ON THE PRODUCT(S)

A product is considered to consist of one or more variants of a product with the same qualities with a view to e.g. function, quality, the environment, even if these products have different colours, designations, etc.

Product group and number
Specification of the product including registered trade names or product range
Estimated value of total annual sales of the products in EU and EEA countries (EUR) (at ex-factory prices, excluding VAT)
Rough estimated of annual no. of articles produced / overnight stays or annual volume of the production (i.e. units, tonnes, litres)

Other EU/EEA countries in which the products are sold (if sold under different names, please give the names)

APPLICATION FEE

Application fee will be invoiced separately by the Competent Body, Ecolabelling Sweden on the receipt of the application. The application will be processed when the fee is paid.

If the application is successful, the Competent Body will invoice the licensee for an annual fee.

1. Are you classified as an SME? or Micro Enterprise? If yes, provide proof of status
2. Do you wish to claim a fee reduction as an applicant in a developing country? If yes, provide proof of status
3. Do you wish to claim a fee reduction or EMAS or ISO 14001 certification? If yes, provide proof of status

APPLICANT'S UNDERTAKING

As the applicant for a EU Ecolabel, we hereby declare that we have read the Regulation (EC) No 66/2010 of the European Parliament and of the Council of 29 November 2009, on EU Ecolabel, OJ L27, 30.1.2010 s.1, the Commission Decision determining the ecological criteria for the product group in question and the contract (Annex IV) to be signed between the holder of a Community Eco-Label and the Competent Body, Ecolabelling Sweden.

We hereby make an application for the use of the EU Ecolabel on the product(s) specified in this application.

If the application for a EU Ecolabel is successful, I (we) agree to abide by the product group criteria, the terms and conditions laid down in the regulation Articles 9&10 and in the contract for use of the EU Ecolabel, during the subsistence of the contract.

As the successful applicant I (we) agree to manufacture/import products which are in conformity with Community health, safety and environmental requirements in all production and handling stages.

As the successful applicant I (we) agree to pay all relevant fees determined by the fee decision of Ecolabelling Sweden.
