Applicant's undertaking

We are well acquainted with the:

[Regulations for Nordic Ecolabelling of Products](#)

- Fee Regulations for Nordic Ecolabelling
- Logo Guidelines for the Nordic Ecolabel

If our application for a Nordic Ecolabelling license is granted, we undertake to follow its rules as well as the Nordic Ecolabelling criteria and other regulations of which the Nordic Ecolabelling organization may inform us.

We thus undertake to follow the above-named regulations and:

- to satisfy current regulatory requirements on the exterior and interior environment in all production and handling of the product.
- to satisfy regulatory requirements applicable to the product in the Nordic area.
- to use the Nordic Ecolabel only on products that satisfy, in all respects, the requirements in the current Nordic Ecolabelling criteria.
- to use the Nordic Ecolabel only on products included in our license.
- not to simultaneously market the same product with same product name in the Nordic Countries with and without Nordic Ecolabel.
- to use the Nordic Ecolabel in accordance with Section 7 of the Regulations for Nordic Ecolabelling of Products and the Logo Guidelines for the Nordic Ecolabel.
- to provide factual information on the significance of Nordic Ecolabelling in product advertising and marketing material.
- to pay the required fee to the Nordic Ecolabelling organization and other costs in connection with our application for a Nordic Ecolabelling license and the inspection and testing on Nordic Ecolabelled products which are demanded by the Nordic Ecolabelling criteria in question or other regulations.
- to supplement the application with documentation regarding particular national requirements if the product is to be marketed in countries other than those specified at the time of application.
- to indemnify in full the Nordic Ecolabelling organization in the event of claims or other financial expenses incurred by the Nordic Ecolabelling organization as a result of damage caused by the product manufactured and/or sold by the licensee, including faults and defects in the product itself.
- to use the Nordic Ecolabel only while the associated license is valid.
- to immediately report any product or market changes that affect the issued license, to the Nordic Ecolabelling organizations where the product/service is sold.

The agreement permitting the use of and reference to the Nordic Ecolabel is concluded when a license is issued by the Nordic Ecolabelling organization.

Fund manager's undertaking

We are well acquainted with the regulations referred to in this application. As the fund manager of the product for which the applicant is requesting a Nordic Ecolabelling license, we hereby agree to manage our products in agreement with the Nordic Ecolabelling criteria in question. We also agree to satisfy pertinent regulatory requirements for the exterior and interior environment and handling of the product as well as regulatory product requirements.
